Work Experience & Careers Fairs – Not just a Y10 phenomenon!	11
Timeline for applying for Post-16 applications & apprenticeships	15

Dear Year 10 and Year 11 Parents, Carers and Students,

Y11 - Please find in this newsletter information about upcoming post-16 open days / open evenings - I would recommend that you visit at least 2 venues before deciding where to apply to for post-16. Please remember that you can have a number of applications to post-16 providers (E.g. The Crypt and Cirencester College etc) and you do not need to decide until GCSE results day in August.

Y10 - Please find in this newsletter information on some work experience opportunities, some of which have closing dates coming up in November e.g. Mira Showers 18th November etc. Please note there are quite a few NHS focused work experience opportunities coming up

If you have any questions please do get in touch vmartin@severnvaleschool.com

Kind regards,

Virginia Martin, Careers Leader

Apprenticeships

For information on how to find an apprenticeship you can either search via local college apprenticeship vacancy pages, individual company vacancy pages, via the national [Find an Apprenticeship](#) website or via Unifrog.

A good starting point is via the national apprenticeship search engine - [Find an apprenticeship - GOV.UK \(www.gov.uk\)](#) On this website you can search by Job Title or Employer and narrow it down by putting in your location and how far you are willing to travel.

Find an apprenticeship

Search and apply for an apprenticeship in England

The screenshot shows the 'Find an apprenticeship' search form. It includes a 'Search' button and a 'Browse' link. The 'Keywords (optional)' section has a dropdown menu set to 'All' and a text box containing 'Business Administrator'. The 'Your location' section has a text box containing 'GL4 8AX'. The 'Within' section has a dropdown menu set to '5 miles'. The 'Apprenticeship level' section has a dropdown menu set to 'All levels'. Three callout boxes with arrows point to specific fields: 'Search by Job Title or Employer' points to the 'Keywords' text box; 'Put in your home postcode' points to the 'Your location' text box; and 'How far are you able to travel for work?' points to the 'Within' dropdown menu.

Search [Browse](#)

Keywords (optional)

How far are you able to travel for work?

Year 11 students to join BAE Systems Women in Engineering experience. The event is open to anyone thinking about their apprenticeship options, or who still isn't sure what route is right for them.

On Monday 24 October 17:00-18:00, we are hosting an online session, providing an overview of our Early Careers options.

We want to demystify apprenticeships and STEM careers so you can support young people in making an informed decision about their education and career.

There will be an opportunity to learn about our Early Careers pathways, hear apprentice perspectives, and ask any questions you may have.

<https://www.smartsurvey.co.uk/s/BAEsystemsearlycareers/>

Understanding Post-16 Qualifications

There are 4 main choices on how to study Post-16: T'levels, A'levels, BTECs and Apprenticeships and to make it even more complicated within BTECs and Apprenticeships there are different levels of qualifications ranging from Level 1 to Level 3. GCSE estimated grades will give Y11 students some guidance on which of the course might be the best one(s) for them to consider and I would always recommend students have an 'aspirational choice' and a 'safe choice' (similar to how university choices are done).

T'levels – Gloucestershire's Cirencester College has been at the heart of these pioneering qualifications. They are a 2 year technical study programmes designed in partnership with employers that combine class room training and a 45+ day industry placement. Cirencester Collage and Gloucestershire College both have a selection of T-levels that include subjects as diversity as Floristry and Garden Design to Adult Nursing and Events and Venue Technicians. These courses have been devised in close contact with employers to ensure that students have the practical skills to ensure they are 'work ready'.

A'levels – are Level 3 qualifications, are studied across 2 years and students normally study 3 A'levels plus an additional qualification like EPQ or completing DofE Gold etc. Some university courses will expect students to have studied certain subjects at A'level and as a rule of thumb it would be beneficial to have a 6+ at GCSE in order to study a subject at A'level.

BTECs – are practical-based, vocational qualifications. They can be studied at a college or some schools and they provide the opportunity to gain hand-on experience in a field or subject. BTEC Level 1 & 2 are equivalent to GCSEs and Level 3 is equivalent to A'levels. Students can progress from a L1 through to a L3, normally over a 3 year period.

In addition to the above, colleges like Cirencester college offer Access courses (meaning students may spend 3 years rather than 2 at the college) e.g. Access to A'levels, is a foundation year getting students ready to take A'levels and the T-level Transition Programme (see below for more information)

WHICH COURSES ARE RIGHT FOR ME?

A-LEVEL PROGRAMME	<ul style="list-style-type: none"> I prefer courses which are mainly exam based I will achieve mainly Grades 4-9 in my GCSEs I want to study 3 or 4 subjects in-depth
T-LEVELS	<ul style="list-style-type: none"> I would like to incorporate an industry placement in my study programme to keep my options open for employment, university or an apprenticeship I will achieve Grades 4-9 in my GCSEs
MIXED PROGRAMME	<ul style="list-style-type: none"> I want to study a combination of A-levels and a vocational course I will achieve mainly Grades 4-9 in my GCSEs
VOCATIONAL PROGRAMME	<ul style="list-style-type: none"> I want to study topics that will directly relate to a specific career I have in mind I will achieve mainly Grades 4-9 in my GCSEs
ACCESS TO A-LEVELS	<ul style="list-style-type: none"> I will have a spiky GCSE results profile I want to go on to study A-levels
LEVEL 2 TRANSITION PROGRAMME	<ul style="list-style-type: none"> I will achieve mainly Grade 3s in my GCSEs I want to progress to a Level 3 T-level or Vocational Programme, employment, training or an apprenticeship
UPGRADE PROGRAMME	<ul style="list-style-type: none"> I will achieve mainly Grades 1 to 2s in my GCSEs I want to progress to a Level 2 Transition to T-level programme, employment, training or an apprenticeship

BUILDING YOUR STUDY PROGRAMME

A-LEVEL PROGRAMME	A-LEVEL 1	A-LEVEL 2	A-LEVEL 3	Optional EPQ (Extended Project Qualification) Enrichment Activity Tutorial Study Period/Workshops
T-LEVELS (TECHNICAL LEVELS)	T-LEVEL (EQUIVALENT TO 3 A-LEVELS) Including a minimum of 45 days work experience			Tutorial Study Period/Workshops
MIXED PROGRAMME	A-LEVEL 1	A-LEVEL 2	Vocational Qualification (equivalent to 1 A-level)	Optional EPQ (Extended Project Qualification) Enrichment Activity Tutorial Study Period/Workshops
VOCATIONAL PROGRAMME	EXTENDED DIPLOMA OR APPLIED GENERALS (EQUIVALENT TO 3 A-LEVELS)			Optional EPQ (Extended Project Qualification) Enrichment Activity Tutorial Study Period/Workshops
ACCESS TO A-LEVELS	Applied Subject	Applied Subject	Maths and/or English	Enrichment Activity Tutorial Study Period/Workshops
LEVEL 2 TRANSITION PROGRAMME	Level 2 Technical Qualification	GCSE English and Maths	HPQ (Higher Project Qualification)	Tutorial and Work Skills
UPGRADE PROGRAMME				Work Experience

We are extremely lucky in Gloucestershire to be served by a wide variety of colleges, all of which have different strengths and focuses. From Hartpury's countryside management course through to SGS's Sports Journalism BTEC, no matter what your passion there are Post-16 courses to aid you to get your dream job. Please click on the below college name to be taken to their website. Below you will also find up-to-date information on college open-days and taster sessions.

Colleges offer students the chance to study different qualifications –T-Levels (Gloucestershire College and Cirencester College), A'levels (Hartpury College & Cirencester College) and BTECs (all of the below)

[Cirencester College](#) – You will need to book onto their open days and register to find out about set courses – Applications opened 22/9/2022

Cirencester College	Saturday	15th	October	2022	10am-3pm
Cirencester College	Saturday	25th	March	2023	10am-3pm

South Gloucestershire and Stroud College (SGS) - All sites	Thursday	27th	April	2023	5.30pm

The Cheltenham Town U19 Development and Education programme

My name is Calum Wands, Academy coach and U19 Development and Education Manager at Cheltenham Town FC. The Cheltenham Town U19 Development and Education programme are beginning to recruit current U16 / Year 11 students who may be interested in representing a local Professional Football Club whilst completing their education (BTECs & A Levels) starting in September 2023. We are on the hunt for local talented footballers, both male and female, who would like to represent Cheltenham Town FC and gain up to an extra 10hrs of midweek football alongside local weekend football commitments. Our current male programme has a pathway to potential scholarships at the CTFC Academy, and our newly created Women's Team will have a direct pathway to the CTFC Ladies Senior 1st team.

I have attached some information packs below about both the male and female football programme. Going forwards, we will be hosting a number of Open Sessions at All Saints Academy School in Cheltenham, where we are inviting players and parents to come and ask questions, hear what we have to offer and take part in some football sessions. To register your interest, and to be made aware of upcoming open events, please complete the link below:

Interest Form: <https://docs.google.com/forms/d/1OTGVsojt8B0ezJF0jZXS14gawSWD4Ujo8tdLA3AoDgo/edit>

It would be great if you could send this link, and the documents below to any current male and female U16/Y11 players who may be interested in joining CTFC in Sept 2023.

One-to-One Careers Appointments

Independent and unbiased careers guidance is provided by Mrs Georgie Blackburn, a professional careers advisor, who visits the school once / twice a week during term time to meet with students individually and to give group talks. We try to arrange at least one appointment during KS4 for every Severn Vale student.

If you would like to book a careers appointment please email noakey@severnvaleschool.com

Just as Gloucestershire has a wide range of colleges it also has a wide range of Sixth Forms, each one having its own strengths and offering unique opportunities. Not all sixth forms are the same, and therefore please make sure you visit as many open-days as possible. Please click on the below Sixth Form name to be taken to their website and below you will also find up-to-date information on their open-days and taster sessions.

Launch of Unifrog

Last September saw the launch of Unifrog at Seven Vale School. To support our commitment to provide students with outstanding careers guidance and tailored support when choosing their next step after school, we will now be using Unifrog (an award-winning, online careers platform) as our main careers information tool. The Unifrog platform is designed to support learners in making the most informed decisions about their futures and has a range of tools that are suitable for all year groups. Each student (Years 7-11) has their own personal account that provides a wide range of information related to their interests and aspirations. We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your child with their career's choices throughout their time at Severn Vale. Please signup using the form code **SVRVParents** and you can sign up at www.unifrog.org/code

During Term 1 please can all of Y10s and Y11s check they have access to Unifrog and reset their password if necessary. If you are having a problem identifying what to do for work experience or what you want to do Post-16 please try completing the Interest Quiz or Personality Quiz

While Severn Vale School's Y10 Work experience takes place in the 1st week of July (3rd -7th July 2023) work experience is not limited to this one week in July nor is it limited to just Y10s. I would encourage students from Y10 and Y11 to also have a placement in the summer holidays as well as taking advantage of the weekend 'insight into industry' days that are offered by local companies and the GROWS network. Please keep an eye out on the below for current work experience / insight into industry days that are advertised throughout the year.

Kohler Mira – Engineering and Business Work Experience Placements

We are operating a **NEW procedure for Work Experience** this academic year and **will be taking applications until 18th November 2022** for work experience until July of 2023. This is to help us manage the number of requests we see come through a little better and hopefully also motivate your students to apply for a work placement sooner rather than later. Students can still request their preferred week in line with any dedicated weeks that you have outlined for them, but will need to have applied by the deadline.

The application form is on the SVS website – work experience page

We request that all applicants submit the Work Experience Application Form which I have attached to this email (and which is available on our website), alongside a short Covering Letter outlining why they wish to do their work experience at Kohler Mira and their interest in the area they have applied for. This may include projects they have worked on and/or or hobbies/interests inside or outside of school that support their application. Not only is this good practice for the working world that we want to encourage amongst your students, but it helps us to better understand the motivations and interests of those applying so we can look to tailor the experience as best we can. **All applications should be sent to earlycareers@mirashowers.com by 18th November 2022.**

NHS Taster Opportunities

<p>Save the Date'</p> <p>Maternity Taster Day</p> <p>Wednesday 2nd November 2022, 13:30 – 16:30</p> <p>Redwood Education Centre, Gloucestershire Royal Hospital</p> <p>To attend this event you will need to complete an application form.</p> <p>Link to application form https://docs.google.com/forms/d/e/1FAIpQLSdq0WPkejXL2LJ4xM48eFapAsGf68pbc8pE3AaaqFMtGdUbYw/viewform</p>	<p>Interested in Midwifery?</p> <p>Our midwives will be hosting a Maternity Taster day soon. The event will focus on discussions around birth. Birth related images and discussions will be shared throughout the session. There will also be an opportunity to ask questions about the role of a midwife and pathways into the profession.</p> <p>Some of the content can be considered of a sensitive nature, therefore some viewers may not wish to participate.</p>
<p>'Save the Date'</p> <p>Medicine Q&A Career Awareness session</p> <p>Monday 12th December 2022, 17:00 – 18:00, Microsoft Teams</p> <p>The Eventbrite link will be launched nearer the time to book on. An opportunity not to be missed!</p> <p>Please keep a look out on our weekly school email, social media, follow us on Twitter: @GH_Apprentices</p>	<p>Medicine Q&A Career Awareness session is open to: students, parents, carers, teachers and career advisors.</p> <p>This is an opportunity to find out more information about a career in medicine, there will be doctors from our Trust answering questions about a life as a doctor.</p>
<p>'Save the Date'</p> <p>Healthcare Science Event</p> <p>Saturday 11th March 2023</p> <p>Watch out for further information for this opportunity.</p>	

I would like to invite your aspiring medics to our webinar that will be focussed on medical school interviews. The details are outlined below:

Title: Deep Dive into Medical School Interviews

Date and time: November 16, 7 pm (UK time)

Registration link: educationprojects.co.uk/project/deep-dive-into-medical-school-interviews/

The main learning outcomes from this webinar are:

- The difference between MMI and panel interview
- How different universities conduct interviews
- How to prepare for interviews, how to get through the day
- How to answer the 'Why medicine?' question
- How to dress for interviews
- Are online interviews still a thing?

Your aspiring medical students in years 10-12 are eligible to attend a FREE LIVE VIRTUAL Get into Medicine Conference on:

- Saturday 29th October 10am - 3pm - Sunday 30th September 10am - 3pm

Students can register using this link: <https://airtable.com/shr66li3bqG3ZpkPM>

We also created a Get into Medicine leaflet to distribute among your students, they just need to scan the QR code to register.

QR Code Leaflet: <https://medicmentor.co.uk/wp-content/uploads/2022/10/GIM-brochure-compressed.pdf>

Once students have attended, they will be awarded a certificate from the Presidents at Medic Mentor to acknowledge that they are a student who has gone one step further than others.

The Get into Medicine conference is a significant turning point for Medic Mentor students. It will unlock exclusive opportunities such as scholarships and prizes, as well as help them to make a highly competitive application.

Please note that all students must be accompanied by a parent/guardian for safeguarding purposes. The Get into Medicine Conference is a comprehensive guide to the medical application process. Dr Siva and Dr Kennedy will cover:

- Application Timelines
- How to Tactically Choose Medical Schools
- CV Building
- Personal Statements
- Interview Schools
- Medical Leadership and Awards Programmes
- Accessing Work Experience
- UCAT and BMAT - Entrance Exams to Medical School
- Accessing Scholarships

We strongly encourage all students to make the most out of this free opportunity.

Spaces are competitive and limited, so students should register as soon as they can using the link below. For this reason, we kindly request that students only book one conference.

Registration Link: <https://airtable.com/shr66li3bqG3ZpkPM>

QR Code Brochure: <https://medicmentor.co.uk/wp-content/uploads/2022/10/GIM-brochure-compressed.pdf>

Getting into medicine may seem impossible to many students, but we're here to break down the entire process into actionable steps.

We're able to offer free opportunities like these due to schools and teachers like yourself very kindly spreading the word. This year, we've seen more students than ever applying to medicine, so we're so grateful for all the hard work you're doing to inspire the next generation of Doctors.

Our Chief Mentors are excited to meet your students at our conference!

Best wishes,

Liz Bailey
Head of Medic Mentor Education
Your Medic Family

Work experiences from Lloyds Banking Group.

On **Thursday 20th and Thursday 27th October** we're running **World of Work Experience**. This online afternoon event helps students 14+ to develop their own sense of skills, strength and brand and translate that into career ready CVs and employability skills. The sessions also offer networking with Lloyds Banking Group graduates and apprentices in careers from the traditional finance & accounting to data science, software development and technology engineering. These sessions are free and designed for students to access from home. There are 250 spaces on each event, sign up link here [LBG Early Careers \(explorelbg.co.uk\) https://explorelbg.co.uk/workexp](https://explorelbg.co.uk/workexp) 96% of students attending WoW say they'd recommend it to a fellow student.

On **Tuesday 1st November at 6.30pm** is Lloyds Careers Live this month focussing on careers in Accounting and Finance featuring experts from the industry and an opportunity for students and parents alike to ask questions of experts, graduates and apprentices who are forging their own careers in this sector. Lloyds Careers Live streams on **the first Tuesday of each month at 6.30pm**. Looking ahead to December we'll be exploring post 18 choices between apprenticeships and university through the eyes of young people who've already made their choice. Link to book either event is here [LBG Careers Live \(explorelbg.co.uk\) https://explorelbg.co.uk/careers/events](https://explorelbg.co.uk/careers/events) and all past events covering Cyber Security, Customer Services, Software Development, Technology Engineering and Data Science are available on Lloyds Banking Group Talent's YouTube site."

<https://bristol.ac.uk/life-sciences/outreach/work-experience/>

Yr10 WEX programmes are available in:

1. **Biochemistry** (explore human genetics, extract DNA, diagnose diabetes and carry out forensic crime scene analysis)
2. **Animal minds** evolution and behaviour
3. **Green plants** (plants and ecosystems)
4. **Engineering** (Experience sessions in Computer Science, Electrical and Electronic Engineering, and Engineering Maths)
5. **Earth Sciences** (from volcanology, geophysics to Palaeontology, Deep Earth and Planets)
6. **Biological Sciences**. (Life in the lab (Yr10&12). Experience the variety and learn the skills of the life of a laboratory technician).

Please use this [expression of interest form https://forms.office.com/pages/responsepage.aspx?id=MH_ksn3NTkqI2rGM8aQVG5qfb9xHOFIMqZNdKsQbINtUMzBER0IT05WOEhFRjBNNjcZUkcyNzMzUC4u](https://forms.office.com/pages/responsepage.aspx?id=MH_ksn3NTkqI2rGM8aQVG5qfb9xHOFIMqZNdKsQbINtUMzBER0IT05WOEhFRjBNNjcZUkcyNzMzUC4u) to indicate which WEX programmes you might be interested in so that we can let you know when the actual application form opens later in Nov 2022. Tell your friends in case they might like to apply!

UoB is committed to diversifying our student body and so places will be prioritised for students with multiple widening participation characteristics (such as ethnicity, mature, care experience, free school meals, first in family to go to HE or those eligible for our [contextual-offer](#)).

GROWS offer some great careers advice and insight days – please see below for more details including a **Crime Scene Investigation day**.

Welcome to the new academic year from GROWS Supporting young people and their parents to plan positive futures

To kick off the new academic year, GROWS are offering three events to give young people and their parents the information and support they need, as well as an exciting subject taster for Year 10s!

Crime Scene Investigation – A chance for Year 10s to become a CSI for the day, learn specialist techniques using authentic resources, take part in activities include Fingerprinting, Hair & Fibre and Footwear Analysis and use their new skillset to investigate a crime scene!

Tuesday 26 & Wednesday 27 October (half term) 10.00am – 3.00pm

University of Gloucestershire, Oxstalls Campus

For students in Year 10

Book now at www.grows.ac.uk/CSI

Find Your Future – Our popular subject taster day for all the family is back! Join GROWS, colleges, universities, employers, and other enterprise partners and get hands on with a range of subjects you could study after GCSEs. From engineering to music production there will be something for everyone, maybe even a subject or career choice you have never heard of before! Hear from motivational speakers, careers advisors, education providers and find out how your personality could help you choose the right career!

Saturday 26th November @ University of Gloucestershire's Oxstalls Campus

Suitable for students in Years 9, 10 & 11 and other family members

Book now at www.grows.ac.uk/fyf

Supporting Future Choices – A virtual information evening for parents. Local experts will discuss all the educational options available for young people when they leave secondary school, helping you to help your child/young person make an informed decision about their future.

Tuesday 18th or Thursday 20th October 5.45 – 7.45

Suitable for students in Years 10 & 11 and their parents

Virtual event via Zoom. Book now at www.grows.ac.uk/choices *Date will be confirmed by email once booked

For more from GROWS including parent specific resources, events, learner workbooks and newsletters please sign up at www.grows.ac.uk or find us on social media; Instagram and TikTok @grownetwork / Facebook @growsgloucestershire

Yours sincerely,
GROWS TEAM
grows@glos.ac.uk / 01242 714447

GROWS is a network of higher education providers in Gloucestershire who provide schools with information and activities designed to assist their pupils in making informed decisions about their future educational options. We offer a range of in-school and out of school activities in a range of career areas. These opportunities are FREE and offer you an insight into careers you may never have thought of doing. www.grows.ac.uk for further information.

InvestIN offer some really unique work experience placement – some are online and other are in person – however please note that there is a cost for these courses (bursaries are available).

[Weekend Programmes: Ages 15-18 – InvestIN Education](#)

Career Opportunities For Ages 12-18

Live & interactive career masterclasses / At UCL or online / November & December 2022

INVESTIN
WEEKEND CAREER EXPERIENCES
INTERACTIVE CAREER MASTERCLASSES FOR STUDENTS AGED 12-18

We are delighted to share with you our autumn term career opportunities, which are available in 19 cutting-edge industries. **Students will learn directly from some of the world's best professionals - doctors, lawyers, engineers, investment bankers and more** - through a series of live, interactive simulations which provide tailor-made professional experience to ages 12-18.

All programmes take place on Sundays at UCL; students can also attend live online if they prefer. **We expect to be fully-booked for our most popular programmes by 30th September so students should register as soon as possible.**

Summer Career Experiences in London

INVESTIN
SUMMER CAREER EXPERIENCES
LIFE-CHANGING, IMMERSIVE CAREER EXPERIENCES IN LONDON FOR AGES 12-18.

Our Summer Experiences offer the ultimate, 360-degree experience of professional life for ages 12-18. They last for up to 15 days and are available in all 19 of our careers. Whilst weekend programmes are classroom-based, our Summer Experiences take place at top industry sites across London - including immersions in hospitals, courtrooms, skyscrapers, film sets and much more.

Post-16 Timeline

I have had some requests from parents & students for a suggested timeline around Post-16 applications for current Year 10s – please find a guide below for Current Year 10s:-

July -September 2022 - There are lots of school Sixth Forms and Colleges in Gloucestershire and so using the summer holidays to whittle them down to a shortlist may well be a sensible first step in deciding where to go after Severn Vale School. Why not begin researching via Unifrog or 6th Form / Colleges own websites. Aim to compile a short-list of Post-16 choices by the end of September, having checked first that your GCSE estimated grades are on target to meet the course requirements. Following this you need to apply to attend a selection of open-days / open evenings (**Top tip** - If applicable - remember to research what student bursaries are available for you to apply for e.g. travel bursaries).

Sept - November 2022 - Attend at least two College or Sixth Form open-days (these may be in-person or virtual open-days depending on Covid-19). Most colleges only have a couple of open days a year, while some Sixth Forms only have one a year and so you do need to get organised early. Please note you will find many of the popular colleges open-days get full early. (**Top tip** - Severn Vale School will be issuing all students with a list of open-days at the start of September but some are already being advertised (see Colleges & Sixth Form pages of Newsletter for more information)).

FLD 24th November 2022 - Severn Vale School will be taking all of Year 11 off timetable for the day to allow them to visit a Post-16 destination of their choice. Transport will be provided by Severn Vale School, however as students are only able to visit one venue, it is important that students choose carefully. As well as getting to see the facilities, an open day is a great opportunity to find out more about the different courses on offer from those who teach and study it - current students and academic staff. (**Top tip** - For many students choosing a college or sixth form is a bit like buying a house - and so you may well find that you end up going with your gut feeling and choosing the college or sixth form that feels like it could be your home for the next 2 years. Remember what is right for your friends might not be right for you).

November – December 2022 - January 2023 - Submit applications to College / Sixth Forms (**Top tip** - you can submit multiple applications and can also accept courses at more than one provider, and you do not need to decide on where you are going until GCSE Results Day in August 2023)

December 2022 – Complete, via Unifrog, your Post-16 destination form, remembering to include a Plan A and a Plan B – this information will allow us to be able to review all of Year 11s applications and do a check on suitability and ensure all of Year 11 have the balance right between being aspirational and attainable.

January - February 2023 - If appropriate - apply to local grammar schools - please see their website for the application window (normally only a few weeks).

February - May 2023 - If appropriate - apply for apprenticeships via either Unifrog or Find and Apprenticeship website [Find an apprenticeship \(findanapprenticeship.service.gov.uk\)](https://findanapprenticeship.service.gov.uk)

August 2023 - GCSE results day - decide on which Post-16 place you are going to enrol at.
