

SUPPORTED LEARNING NEWSLETTER

TERM THREE

Welcome to our third newsletter of the academic year.

We have had a busy term with lots going on in school. We have a new cohort of students on our Outdoor Education programme, Emotional Literacy sessions have started and students have been working hard in intervention sessions. You can read more about what they have been doing in this newsletter.

A message from the SENDCo- The Year 7s have really settled in and become an integral part of the Severn Vale family. Watching them grow and develop their independence over these first few terms has been a privilege and joy to witness. Our Y11s have been supported in applying for their next steps and hearing their plans is really exciting.

Thank you to all our parents and carers that responded to the Ofsted survey – your comments were appreciated. We continue to work hard behind the scenes on ensuring that the SEND department continues moving forward with our vision to provide the best support for our children with SEND in Gloucestershire.

For the past two years we have teamed up with Stroud College to offer a range of building skills to a number of our students. These sessions see students attending for a week block and rotate around bricklaying, woodworking and plastering. This term has seen some fantastic talent coming from the Year 11s. They have been creating personalised wooden plaques as a creative project in woodworking.

Year 7 have had fun developing their teamwork skills to create their own obstacle course in PE, even racing each other to see who could get the quickest time!

This term has seen a new group of students join our Outdoor Education Program. They have been testing out their whittling skills by making tent pegs!

Students have enjoyed heading over to the garden, to check that our spring bulbs are growing! They are all very excited to see some colour in the raised beds.

They have also been planning some tasks ready for Spring. First on their list is a bird cake recipe ready for next term.

As always, please do get in touch via

SENDAdmin@severnvaeschool.com

if you have a query or question about anything in relation to your child.

A member of the team will respond to you at their earliest convenience.

Have a wonderful break!

Julie Williamson - SENDCo
